Private / Small Group Swim Lesson Policy:

- Lessons must be paid for in full before the first class. No more than 10 classes may be purchased at a time.
- Private swimming lessons are not eligible for financial assistance.
- We will attempt to schedule your preferred time, based upon pool and instructor availability.
- For small group lessons, all participants must be at or close to the same skill level.
- **CANCELLATIONS:** A minimum of 4 hours notice is required to cancel a scheduled lesson. Please call your instructor and notify them of your need to cancel. Classes missed without a 4 hour notice will not be rescheduled or refunded.
- Instructors will notify the parent or participant 4 hours in advance if there is a need to reschedule.
- All private lessons will expire 90 days after the start of the lessons.
- **WEATHER:** In any event of inclement weather or pool closures, the class will be postponed or rescheduled.
- Participants arriving late for a scheduled class will not have make up time.
- Due to changing availability of instructors and pool space, additional lessons with the same instructor at the same time cannot be guaranteed. Check with the instructor prior to renewing Private Swim Lessons.
- I understand that system credits/refunds will be issued if the participant withdraws from the program prior to its first meeting less a \$15 administrative cost due to non-recoverable costs incurred in materials, arranging the program and administrative fees.
- Requests for Private Lessons will be processed on a first come, first served basis.

I have read and agreed to the YMCA of Sumter private lessons policies:
