Lap Swimming Tips: Please enter the pool from the shallow end. To avoid accidents, when entering an occupied lane, please get the first swimmer's acknowledgment that you are there.

Directions for Adult Lap: If there are 1 or 2 swimmers in a lane, they may elect to split the lane in half. The entrance of a third person immediately changes the lane to "circle" swimming format.

Speed: Please choose a lane with swimmers that most nearly match your speed.

* All lap swimmers must be able to swim independently. ** Age restrictions on Mondays and Wednesdays Morning

Mission: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.
