# CHOOSE YOUR CAMP!

## Fun Factory

AGES: 3 - 10

Fun Factory provides a safe nurturing environment to learn, grow and thrive. Counselors focus on each child's needs and work to make sure everyone is a part of the fun. Weekly activities revolve around themes which include age appropriate games, swimming, field trips, sports activities, arts, crafts and songs.

We incorporate quiet time to help campers get through the long day and we make sure that each day has a good balance of indoor and outdoor activities. Campers are divided into the following age groups: Half-pints (3 - 4); Rising Stars (5 - 6); Daybreakers (7 - 8); and Pathfinders (9 - 10).

## Camp Mac Boykin

AGES: 7 - 14

Camp Mac Boykin offers the fun and freedom of being outdoors while learning new skills and making new friends. Located in Pinewood on 55 beautiful acres, Camp Mac Boykin offers many activities while keeping true to the Y's goals of providing an exciting, yet safe, community for young people to explore outdoors, build self-esteem, develop interpersonal skills and make lasting friendships and memories.

Camp Mac Boykin counselors are selected for their special skills and experience, as well as their

personality and ability to develop relationships. Counselors are role models of caring, honesty, faith, respect and responsibility to all campers.

\*Campers can experience the excitement of overnight camp. They'll enjoy dinner, make s'mores, play fun games and tell campfire stories. Children must be enrolled in Camp Mac Boykin during the week of the overnight. The cost is \$25 per child and includes dinner, breakfast and lunch for the next day. [Overnight camp dates are available at the member service desk.](#)

## Teen Scene

AGES: 11 - 13

The YMCA is proud to offer a teen camp experience in a safe atmosphere with positive, fun and energetic role models. Teen Scene is filled with exciting day trips. Your teens won't feel like they are in a day camp, but like they are hanging out with friends in a supportive and challenging environment.

Youth will thrive in Teen Scene as they are challenged to set goals, take risks and push themselves to new heights in a safe, supervised environment while participating in age-appropriate field trips and activities. [Teen Scene will have one overnight camp at Camp Mac Boykin. Overnight camps dates are available at the member service desk.](#)

# COUNSELOR IN TRAINING (C.I.T.)

Learn, Lead, Serve

## The First Step in Leadership C.I.T. Camp

The Counselor in Training (C.I.T.) program provides teens with training in how to use effective leadership skills throughout their lives and how to effectively lead children. C.I.T.'s are provided with training, leadership, and mentors as they assist in day camp programs and field trips. If your teen is looking for more than just a fun time this summer, C.I.T. Camp may be just for them. This program is designed to give teens who are interested in one day becoming camp counselors or leaders in the community a head start on that experience.

C.I.T.s get to work within our camps, assisting in leading activities and learning from counselors. All the while, we focus on treating these campers as professionals, giving them opportunities to discover their leadership potential and explore their strengths. C.I.T.s will leave feeling like they didn't just go to camp, but helped impact the lives of the kids they worked with this summer.
