## COVID-19 Participation

I agree that myself and my family will not use the YMCA facility or programming if:

- there has been close contact with a COVID-19 positive person.
- experiencing cough, shortness of breath or sore throat.
- had a recent loss of taste or smell.
- had a fever in the last 48 hours.

I (we) will not access the facility or participate in our programs until medically cleared.

Please understand that Coronavirus, COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact and via surface contamination. Federal and state authorities recommend social distancing as a means to prevent the spread of the virus. COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Participating in the YMCA of Sumter programs or accessing the Sumter Family YMCA facilities could increase my risk of contracting COVID-19. The YMCA of Sumter in no way warrants that COVID-19 infection will not occur through participation in the YMCA programs or accessing the Sumter Family YMCA facilities.

I, the undersigned participant, and on behalf of myself, my family, my heirs, representatives, executors, administrators, and assigns, HEREBY DO RELEASE the YMCA of Sumter, its officers, directors, employees, volunteers, agents, representatives and insurers ("Releasees") from any causes of action, claims, or demands of any nature whatsoever including, but in no way limited to, claims of negligence, which I, my heirs, representatives, executors, administrators and assigns may have, now or in the future, against the YMCA of Sumter on account of personal injury, property damage, death or accident of any kind, arising out of or in any way related to the use of the YMCA of Sumter facilities and equipment or participation in the YMCA of Sumter programs whether that participation is supervised or unsupervised, however the injury or damage occurs, including, but not limited to the negligence of Releasees.
